THIRD RESPONSE TO DECISION REFUSING STATUS UNDER 37 CFR 1.47(a)

Sir:

The Applicant has received the Decision dated December 13, 2004. Once again, the Petition was dismissed.

However, in the decision of December 13, 2004, all but one issue has been corrected, and the only remaining issue appears to be a missing element of 37 CFR 1.47(a)(2). Specifically, the first page of the Declaration was inadvertently omitted from the submission.

Enclosed is the Declaration in the format as requested by the Patent Office. Accordingly, with this submission, the Petition is believed to finally be provided in an acceptable form.

The Applicant sincerely appreciates the Office's help in providing the necessary supplemental filings to provide an appropriate Petition.
